NEW! From Creative Displays of KC!

Your banner installation experts now offer a selection of beautiful custom designed banners for your city streets, shopping malls, school campus, office parks, and special events. Personalize with your own message, name or logo! Creative Displays of KC banners are high quality, 4/color heavy vinyl that will stand up to all 4 seasons.

Creative Displays of KC banners are available in 3 standard sizes, 30"x72", 30"x60" and 18"x24". Other custom made sizes are available upon request. Special hardware may be required. But with the installation services of Creative Displays of KC, you never need worry about how your banners will be installed.

Order from our existing patterns or commission a unique design. Pricing for banners, hardware and installation services are available upon request. Just call Creative Displays of KC at 913-402-9627 and receive the customer service you expect.

Banner designs are as shown. Personalization consists of adding name, logo, date or special message at bottom of banner. Modification to design will incur an additional charge.

*Custom banners are available for an additional charge. Call for more information.
